About This Group's Performance:

This group recently took the *Stanford Achievement Test, Tenth Edition* (Stanford 10). This test is one measure of their achievement. This report describes the performance of the typical student in this group compared to students in the same grade across the nation. The Battery scores provide an overall indication of this group's performance. The typical student in this group scored in the upper range for the grade, which means that group performance was Above Average. The chart below shows this group's performance in each subject area tested.
